# WISHA MANUAL FOR VETERINARY OFFICES

Prepared in Consultation with WISHA Experts and Other OSHA Professionals

Note: This manual provides extensive coverage of various safety regulations for veterinary facilities mandated by Washington Industrial Safety and Health Act (WISHA). The information has been mainly collected from the Washington State Department of Labor & Industries, Division of Occupational Safety and Health and Occupational Safety and Health Administration (OSHA). Additional information has been collected from the National Institute of Safety and Health (NIOSH) and the Center for Disease Control (CDC). It is our intention to make WISHA compliance easy for our customers. Comprehensive information in this manual is for training purposes only. A training outline and a WISHA test are provided in the welcome CD to assist you in training employees. WISHA mandates employers to complete safety plans under various standards. The documentation kit accompanying this manual has all the safety plans, please complete them for compliance.
